BOOK SYNOPSIS

Celebrate the beauty and charm of the holidays with recipes for traditional food and drink, decorating ideas, and heartwarming stories. With its trademark snow, piney forests, sleigh rides and woodsmoke curling out of village chimneys, New England was practically invented for the Christmas postcard. It's got your Christmas goose and the maple syrup with which to glaze it. It's most of the reason author Ellen Stimson made Vermont her home. Here she shares recipes that have been in her family for generations, mixes up a cocktail or two, and invites readers to make their own traditions.
