## **BOOK SYNOPSIS**

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Annes story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Franks lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Franks wisdom and imagination--as well as her indomitable love of life. Anne Franks Tales from the Secret Annex is a testaments to this determined young womans extraordinary genius and to the persistent strength of the creative spirit. From the Paperback edition.
