BOOK SYNOPSIS

A beautiful border adds the perfect finishing touch to your hand-stitched pieces. A knitted scarf, a crocheted baby blanket, even a store-bought tank top --- they're all elevated by the texture and color of crocheted edgings. Complete with detailed instructions for executing the 90-degree corner turns, Edie Eckmans 150 border designs add pop and whimsy to everything they embellish. "An irresistible book of cute crocheted borders...expands the options for adding a little flair to knit, crocheted, and even sewn projects."---Debbie Stoller author of the Stitch `n Bitch books
