## **BOOK SYNOPSIS**

A unique multidisciplinary approach characterizes the leading Constitutional Law. A variety of critical and social perspectives draw on political theory, philosophy, sociology, ethics, history, and economics to give a contemporary look at constitutional law within its traditional doctrinal structure. A mixture of lightly and more heavily edited cases allows close analysis while providing a broad array of important opinions and pivotal cases. Extensive material summarizes the state of the law and its development. Constitutional Law "ideal for two-semester courses" follows a logical two-part organization, beginning with the balance of powers among the Supreme Court and local, state, and federal governments and moving to the rights and powers of individuals. The excellent coverage of First Amendment law is clear and concise, and a distinct annual supplement separates First Amendment materials from the rest for ease of research. The Seventh Edition presents new material on originalism and the right to bear arms; incorporation and the Second Amendment; and Libya and the War Powers Resolution. Full, analytic treatment of the Supreme Courts decisions in the Affordable Care Act is presented. Coverage of the preemption doctrine is expanded. A new discussion of the Religion Clauses treatment considers church autonomy in light of Hosanna-Tabor. The text on freedom of expression has been revised to incorporate new cases such as Citizens United v. Federal Election Commission (on campaign finance regulation), Snyder v. Phelps (on intentional infliction of emotional distress), Brown v. Entertainment Merchants Assn (on violent video games), FCC v. Fox Television Stations (on expletives in broadcasting), and United States v. Alvarez (on criminal liability for lying about receiving medals of honor.) New material on privacy and the Internet brings the Seventh Edition completely up to date.

### **CONSTITUTIONAL LAW [CONNECTED CASEBOOK] ASPEN CASEBOOKS -**

Are you looking for Ebook Constitutional Law [Connected Casebook] Aspen Casebooks ? You will be glad to know that right now Constitutional Law [Connected Casebook] Aspen Casebooks is available on our online library.
