BOOK SYNOPSIS

"The Duluth Grill is back for its second cookbook ... But the food is really the star here. You'll find raw vegan marinara, but also a bacon ice cream sundae; gluten free options, but also homemade flaky biscuits. From the cilantro lime vinaigrette to the North Shore paella, from the beet lemonade to the bison stuffed peppers, this is Minnesotan food like you've never seen at a potluck. Whether you're making the carrot cake (good), the sriracha aioli (good), or the bacon-blue cheese coleslaw (real good), you'll be glad you picked this up."--Page 4 of cover.
