BOOK SYNOPSIS

In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body-overwhelmed by the malignant cells spreading throughout her system-began shutting down. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was able to be released from the hospital within weeks . . . without a trace of cancer in her body! Within these pages, Anita recounts storie.
