Small-town overachiever Riley Banks has finally scored her big break--working in Manhattan as a fashion design assistant for her childhood crush, Josh Braden. She enters her new job hoping to make a name for herself and--just maybe--explore the romance that slipped through her fingers way back when. Josh Braden has models at his beck and call, a staff that never says never, and an elegant clothing line for the holiday season. When he hires Riley Banks, he expects her to learn the business from the ground up. But the girl next door turns out to be much more than he remembered. Josh and Rileys friendship heats up. Every steamy kiss and every erotic caress stirs a love they cannot deny. But when Riley designs a wedding gown that would cause even the most jaded fashion editors to swoon, Rileys mentor accuses her of stealing the design. Facing indisputable proof and the mistrust of her lover, Riley is not sure she can take the heat of life in the fast lane of the fashion industry--and Josh is forced to choose between the woman he loves and the career he adores.
