BOOK SYNOPSIS

In "The History of Pain," Roselyne Rey draws on multidisciplinary sources to explore this universally shared experience. From classical antiquity to the twentieth century, she contrasts the different cultural perceptions of pain in each period, as well as the medical theories advanced to explain its mechanisms, and the various therapeutic remedies formulated to relieve those suffering from it.

LA DOULEUR - Are you looking for Ebook La Douleur? You will be glad to know that right now La Douleur is available on our online library.
