## BOOK SYNOPSIS

From the bestselling author who completed Robert Jordans epic Wheel of Time series comes a new, original creation that matches anything else in modern fantasy for epic scope, thrilling imagination, superb characters and sheer addictiveness. Return to a planet swept by apocalyptic storms, a world tipping into war as aristocratic families move to control the shard blades and shard plates, ancient artifacts from a past civilisation that can win wars. As the world tips into a war for control of the mythical artifacts of power made from Shard, characters are swept up into new dangers which will threaten their integrity and their lives. Huge, ideas-filled, world-spanning fantasy from a master of the genre.
