BOOK SYNOPSIS

The 3rd standalone novel in The Pucked Series Lily LeBlanc isn't versed in the art of casual sex, but after seven years in an on-again, off-again relationship, she's definitely willing to give it a shot. And who better to try it with than her best friend's boyfriend's best friend? What could possibly go wrong? NHL player, Randy Ballistic, lives up to his last name on the ice and in the bedroom. His best friend and teammate has recently given up the puck bunnies and traded them in for a real girlfriend. And she just happens to have a seriously feisty, extra-hot best friend on the rebound. Randy's more than happy to be Lily's spring board back into the dating scene. Casual sex is only casual until those pesky things called emotions get involved. Once that happens, someone's bound to get pucked over.

PUCKED OFF THE PUCKED SERIES - Are you looking for Ebook Pucked Off The Pucked Series ? You will be glad to know that right now Pucked Off The Pucked Series is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
