## BOOK SYNOPSIS

The bestselling author of *Many Lives, Many Masters* breaks new ground to reveal how progression therapy into future lives can help transform us in the present. How often have you wished you could peer into the future? In *Same Soul, Many Bodies*, Brian L. Weiss, MD, shows us how. Through envisioning our lives to come, we can influence their outcome and use this process to bring more joy and healing to our present lives. Dr. Weiss pioneered regression therapy—guiding people through their past lives. Here, he goes beyond that to demonstrate the therapeutic benefits of progression therapy—guiding people through the future in a scientific, responsible, and healing way. Through dozens of case histories detailing both past-life and future-life experiences, Dr. Weiss shows how the choices that we make now will determine our future quality of life. From Samantha, who overcame academic failure once she learned of her future as a great physician, to Evelyn, whose fears and prejudices ended after she envisioned prior and forthcoming lives as a hate victim, Dr. Weiss gives concrete examples of lives transformed by regression and progression therapy. A groundbreaking work, *Same Soul, Many Bodies* is sure to deeply affect peoples' lives as they strive toward their future.
