BOOK SYNOPSIS

This CD-ROM features the term sheet from the best selling book Term Sheets & Valuations, in a Word document that can be customized for your use. It also includes a sample non-disclosure agreement, due diligence checklist and other venture capital documents that can be used and customized in any fashion (not available in the print book format). The term sheet includes line by line descriptions of the correct wording for "entrepreneur favorable," "investor favorable" and "neutral," originally written by a lawyer specializing in term sheets, with commentary by the author (a venture capitalist at Boston Capital Ventures) on descriptions of each clause, what can/should be negotiated, and the important points to pay attention to. The document is "ready to use" with blanks for you to fill in to have a legally binding contract in very little time. The entire document is in Word, so any part can be customized.
