## **BOOK SYNOPSIS**

Combat Black Dog Syndrome worldwide; a portion of all proceeds from Black Dog Project will be donated to black dog rescue. One of Tumblr's most viral blogs of 2014, the Black Dogs Project is a stunning photo series by animal photographer Fred Levy. Known as "Black Dog Syndrome" in animal shelters and rescues, it refers to the unfortunate phenomenon that black dogs are frequently the LAST dogs to be adopted and the FIRST dogs to be euthanized in rescue shelters. Animal photographer Fred Levy couldn't believe that it was true, so he began talking with shelters. Not only does the phenomenon exist, but he discovered it's an epidemic. Levy decided to turn his camera lens to black dogs, showing the world how beautiful they truly are. He called the photo series, The Black Dogs Project, and the stunning photographs have been shared worldwide, spreading awareness and attention to the problem. A portion of all proceeds for Black Dogs Project will be donated to black dog rescue.
