BOOK SYNOPSIS

Michael Middleditch has revised and updated his hugely successful LONDON MAPGUIDE - first published in 1983 and now in its seventh edition - to include all the Olympic sites in time for the 2012 Games. Streets and sights are mapped and named, and there is a full index so that it can be used like the London A-Z. In addition, famous landmarks, places of entertainment etc are indicated on the maps. Expanded from 64pp to 72pp of full colour to include Stratford and the areas of East London around the Olympic venues, this is the perfect book for every tourist and city-dweller.
