BOOK SYNOPSIS

The first in an enchanting new male/male romantic duology from Lilah Pace, author of *Asking for More* and *Begging for It* James, the handsome, cosmopolitan Prince of Wales, is used to being in the public eye. But he's keeping a king-sized secret... James, next in line for the throne, is gay. He's been able to hide his sexual orientation with the help of his best friend and beard, Lady Cassandra. Sometimes he feels like a coward for not coming out, but he doesn't risk losing the crown. If he did, the succession would fall on his deeply troubled younger sister, Princess Amelia. To protect her, James is willing to live a lie. While on holiday, he meets Benjamin Dahan—a rugged international reporter with a globe-trotting, unattached life—who catches far more than James' eye. And when Ben is transferred to London, it seems fate may finally be smiling on James. But what began as a torrid fling grows into something far more intimate and powerful. Soon James will have to decide who he is, what he wants from life and love, and what he's willing to sacrifice for the truth... "I'm absolutely desperate to read the next book. This is the kind of male/male romance I hunt down and devour. Hats off to Ms. Pace." --Anna Zabo, author of *Due Diligence* "His Royal Secret is delightful and romantic, with a wonderfully fresh take on a modern-day handsome prince." --C.S. Pacat, author of *Captive Prince*
